

# WANT TO BEAT THE FLU THIS YEAR?

## SYMPTOMS OF FLU INCLUDE:

- Fever
- Sore throat
- Runny Nose
- Muscle or body aches
- Chills
- Headaches
- Coughing

## PLANNING AHEAD IS YOUR BEST STRATEGY.

It's not too late to protect yourself with this season's flu vaccine. There are even **special vaccine formulations just for those 65 and older.** Ask your doctor which one is right for you.
