

FFF Enterprises Celebrates 28 Years of Innovation and Excellence

July 8, 2016

ISSUED BY FFF Enterprises, Inc., Temecula, Calif. – www.fffenterprises.com

On July 8, 2016, FFF Enterprises, Inc. marks 28 years in business, celebrating its legacy of innovation and excellence as a distinguished distributor of plasma products, vaccines, biosimilars and other specialty pharmaceuticals and biopharmaceuticals. The company has achieved significant milestones during its growth over the decades. In recent months, notable success includes its track record of **10,000 counterfeit-free days** (and counting), **Premier's Supplier Legacy Award** for 2016 and **Vizient's Specialty Distributor of the Year Award** for 2016.

"Twenty-eight years is a proud benchmark for us. The commitment every team member has devoted to this company is evident in where we stand today. From product availability, ordering and distribution, to customer satisfaction and patient safety, we ensure excellence is our standard every step along the way. We thank our partners who have supported us through the years and stand by us to this day," remarks Patrick M. Schmidt, chief executive officer, FFF Enterprises, Inc.

Currently, the company is experiencing a pivotal time of growth, with an expanded portfolio of new product offerings, e-commerce enhancements and overall workforce expansions. FFF's business models and innovations continue to evolve nimbly in response to the industry's changing needs.

From humble beginnings, FFF was founded in 1988 with \$100 and a vision to distribute patient examination gloves. Today, the company's annual sales are approaching \$2 billion, and its partners include the largest and most influential GPOs, serving over 80 percent of U.S. hospitals and supplying the nation's leading non-acute care sites.

FFF's patient-centered focus resonates through its specialty pharmacy subsidiary, NuFACTOR[®], which specializes in the treatment of patients with chronic conditions, with concentration on treating rare disease states in neurology, immunology, hematology, oncology, dermatology and rheumatology. The company also supports the immune globulin community through IG Living magazine that is dedicated to promoting patient advocacy, education and communication.

About FFF Enterprises, Inc.

FFF Enterprises is the largest and most trusted distributor of plasma products, vaccines, biosimilars and other specialty pharmaceuticals and biopharmaceuticals. Founded in 1988, FFF is now in its 28th year with annual sales approaching \$2 billion and a flawless safety track record for product distribution. FFF has taken a leadership position in regard to supply chain safety and innovation, setting new standards and pioneering industry firsts. FFF's commitment to **Guaranteed Channel Integrity™** ensures that products are purchased only from the manufacturer and shipped only to licensed healthcare providers, with additional steps taken to safely store, handle and ship products to ensure patient safety is never compromised. FFF's proprietary systems - **Verified Inventory Program-Consignment (VIPc™)** and **Lot-Track[®]**, provide verification of this secure channel, **BioSupply[®]** online ordering system offers an easy-to-use and convenient platform to order products, and **MyFluVaccine™** is a revolutionary vaccination program that has added a new level of safety, convenience and reliability to both healthcare providers and patients.
