

FFF Enterprises Welcomes Brad Cooper as Chief Financial Officer

July 2014

Temecula, Calif.

FFF Enterprises, Inc., the nation's largest and most trusted distributor of plasma products, vaccines and critical-care biopharmaceuticals, announced the appointment of Brad Cooper to the position of Chief Financial Officer. A certified public accountant, Cooper comes to FFF with broad financial management experience, including successful private equity partnerships, industry consolidation, and mergers and acquisitions.

"Brad brings an excellent combination of financial management experience to the FFF team. He is joining at a pivotal point in our evolution, and his experience will prove invaluable as we expand our reach into new markets, penetrate key segments and launch new services," said Patrick M. Schmidt, president and chief executive officer, FFF Enterprises, Inc.

With a career spanning over 30 years, Cooper has served as CFO for both service and manufacturing companies, including MNX Global Logistics in Irvine, Calif., and B.I. Incorporated, in Boulder, Colo. Cooper holds a Bachelor of Science degree in Accounting from Brigham Young University.

About FFF Enterprises, Inc.

Temecula-based FFF Enterprises is the largest and most trusted distributor of plasma products, vaccines and other specialty pharmaceuticals and biopharmaceuticals in the U.S. Founded in 1988, FFF is now in its 27th year with more than a billion dollars in annual sales and a flawless safety track record. FFF has taken a leadership position in regard to supply chain safety and innovation, setting new standards and pioneering industry firsts. FFF's commitment to Guaranteed Channel Integrity™ ensures that products are purchased only from the manufacturer and

shipped only to healthcare providers, with additional steps taken to safely store, handle and ship products to ensure patient safety is never compromised. FFF's proprietary systems, Verified Inventory Program-Consignment™ (VIPc), Verified Electronic Pedigree™ and Lot-Track™, provide verification of this secure channel, and FFF's MyFluVaccine (www.MyFluVaccine.com) and VaxAmerica (www.VaxAmerica.com) are revolutionary vaccination programs that have added a new level of safety, convenience and reliability to both healthcare providers and consumers.
