Going Beyond Distribution, Because Patients are Always First

You can count on FFF Enterprises, the nation's most trusted specialty drug distributor and diversified healthcare company.

With our perfect safety track record of counterfeit-free product distribution since 1988, you can confidently purchase through us, knowing that we set the standard for patient safety, product efficacy, and fair pricing.

As always, FFF goes Beyond Distribution in its commitment to leading with integrity and a patient-centered focus. We are continually seeking diversified and innovative solutions to reinforce the safety of the supply chain and add extra value to patient care, benefiting our manufacturing partners and customers.

Everything we do affirms our dedication to sustaining a reliable, secure pharmaceutical supply chain in pursuit of our mission of Helping Healthcare Care®.

Helping Healthcare Care®

Table of Contents

Biologics

4	Albumin
4	Antithrombin
4	Coagulation Factor
8	Hyperimmune Globulin
9	Immune Globulin

Ancillaries

11	Ancillaries

Specialty Pharma

11	Antiviral
11	Biosurgical
12	Biosimilars
14	Brand
19	Contrast Media
19	Dermatology
23	Generic
26	Oncology
26	Ophthalmology
26	Orthopedics
26	Vitamins & Supplements
27	Women's Health

Controlled Substance

27	Controlled Substances

Vaccines

29	Adult
30	Pediatric
32	Influenza
32	COVID-19
32	RSV

At the end of every transaction,
there's a patient waiting for that product.

~ Patrick M. Schmidt, CEO

Albumin Products

Programs & Services

BioSupply®

Our BioSupply® is now your leading one-stop source for all your critical and preventive medication needs, including Influenza, COVID-19, and RSV products. Order what you want, when you want, with just one click so you can focus your time on what matters: your patients.

BioSupply.FFFenterprises.com

- Manage and place orders for multiple accounts
- View and download contracted price lists
- Create and export custom Allocation, Price, and Invoice and Order History reports
- Pay invoices by credit card
- Streamline product deliveries and inventory with recurring orders
- Price guarantee - FFF will never raise prices in times of shortage
- Free next-day delivery for orders placed by 12:00 p.m. PT

RIGHTNOW INVENTORY®

Our end-to-end inventory management program automates shipments, reduces expiry risk, eliminates carrying costs, and monitors products utilizing the RightNow Inventory® solution suite.

RightNowInventory.com

Immediate Patient Care
Products are available on-site and on-demand when your patients need them.

Efficient Workflows and Visibility
Complete oversight via RightNow Track® to optimize operational workflow, reduce human error, and eliminate the burden of inventory management.

Patient Focused
We manage product replenishment and alerts, allowing you to focus on patient care.

Greater Savings
Eliminate carrying costs because invoicing only occurs when products are removed from the RightNow solution for patient care.

Our Wow! Customer Care™

Professionals are Here to Support You.

At FFF Enterprises, our in-house customer care and sales teams work together to deliver responsive service, expert guidance, and trusted support for your products and the patients who depend on them—24 hours a day, 365 days a year.

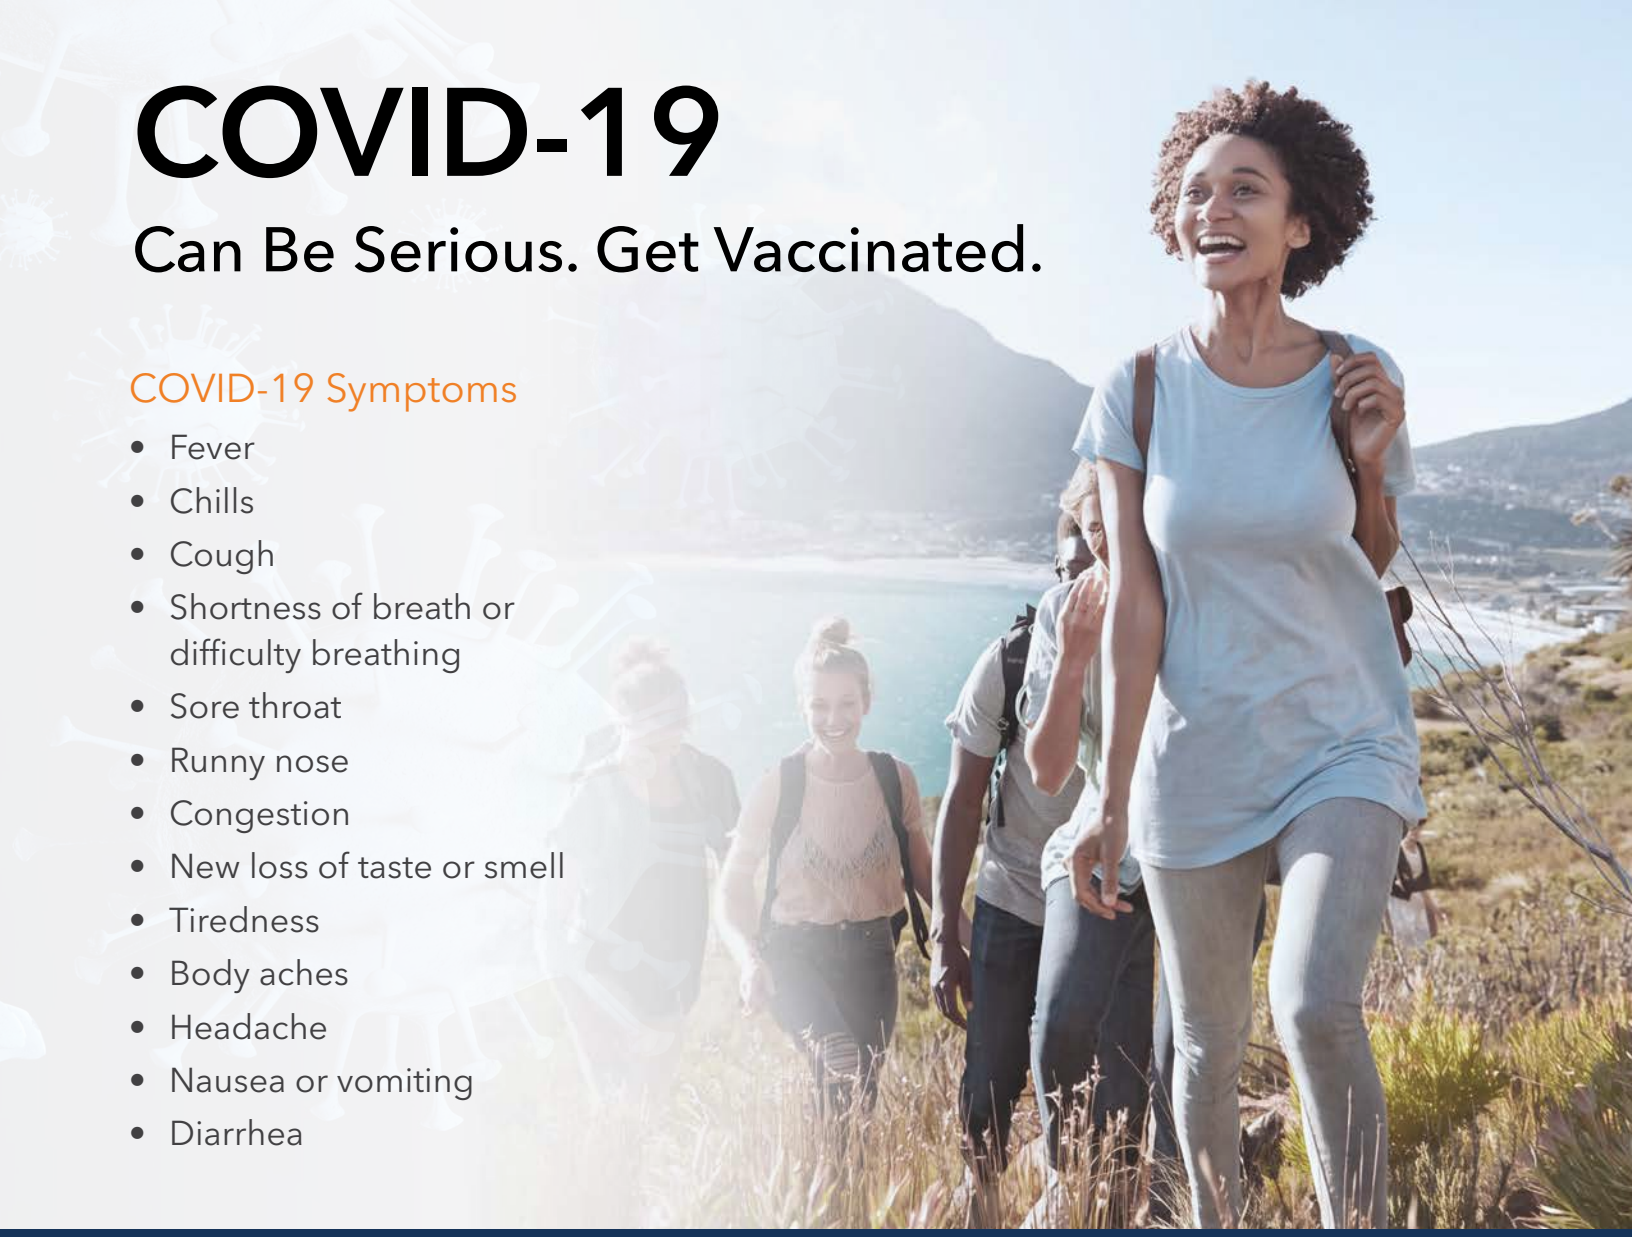
Helping Healthcare Care®

COVID-19

Can Be Serious. Get Vaccinated.



COVID-19 Symptoms

- Fever
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Sore throat
- Runny nose
- Congestion
- New loss of taste or smell
- Tiredness
- Body aches
- Headache
- Nausea or vomiting
- Diarrhea

Who Should Get a COVID-19 Vaccine?

COVID-19 vaccination is recommended for most people 6 months and older. Individuals at higher risk of serious illness include older adults, pregnant women, and people with certain chronic health conditions.[1]

Talk to your healthcare provider about getting a COVID-19 vaccine.

This information is for educational purposes only and is not intended to replace advice from your healthcare provider.
