

Keep the Party Going!

COVID-19 is very contagious and can cause long-lasting effects. Get vaccinated to protect yourself and your community.

Symptoms of COVID-19 include:

- Fever and/or chills
- Cough
- Fatigue
- Loss of taste or smell
- Shortness of breath
- Muscle or body aches
- Sore throat
- Runny nose
- Headache
- Nausea
- Vomiting
- Diarrhea

Ask your healthcare provider or pharmacist about a COVID-19 vaccine or booster today!
