Sintetica® US Selects FFF Enterprises Inc. as the Exclusive Distributor for Lidocaine Hydrochloride Injection

TEMECULA, Calif., Apr 11, 2023 (GLOBE NEWSWIRE) — FFF Enterprises Inc., the nation’s most trusted specialty drug distributor, today announced that it has entered an exclusive partnership with Sintetica® US—a subsidiary of international pharmaceutical company Sintetica S.A.—to provide Lidocaine Hydrochloride Injection, a short-acting amide-type local or regional anesthetic.

According to the [FDA Drug Database](#), Lidocaine Hydrochloride Injection has been assigned critical shortage status, so this partnership comes at a significant time to ensure access. FFF will supply the following dosages and strengths of Lidocaine Hydrochloride Injection by Sintetica: 1% 20mg/2ml (10 mg per mL), 1% 50mg/5ml (10 mg per mL), 1% 100mg/10ml (10 mg per mL), 2% 40mg/2ml (20 mg per mL), 2% 100mg/5ml (20 mg per mL), 2% 200mg/10ml (20 mg per mL), 4% 200mg/5ml (40 mg per mL).

“We are honored that Sintetica selected us to work with them on this effort, especially in a time of critical shortage. Our partnership’s primary goal is to ensure healthcare professionals don’t have to go without Lidocaine Hydrochloride Injection or make difficult decisions in the face of a shortage,” said Patrick M. Schmidt, CEO of FFF Enterprises. “FFF has the ability to get this drug where it is needed, so we will deliver and stay true to our motto of Helping Healthcare Care®.”

Frank Mullery, President of Sintetica US, said: “Sintetica is excited to announce the launch of Lidocaine Hydrochloride Injection, the first commercial launch for Sintetica US. Most importantly, we are bringing the product to market during a critical shortage, with our ability to produce large volumes of Lidocaine we will provide access to this important product when it’s needed most. This milestone represents the first of many expected product launches for Sintetica US and is a great accomplishment of the entire global Sintetica team.”
