Dosage and Administration

How to Use the Enclosed

Dropper:

Fill the dropper to the **1 mL** line to provide the full daily dosage. Use full dosage, regardless of age or weight, unless your child's doctor recommends a different dosage. Dispense with a single squeeze of the dropper bulb. It is normal for a small amount to remain in the tip.

Dosing Tips:

Drops may be given by dispensing directly into the mouth. Drops may also be mixed

with formula, fruit juice, cereal or other foods to increase your child's acceptance.

Shake well before use.

This product comes with a child-resistant cap. Refrigeration not required. After opening, store away from direct sunlight.

Warnings

As with all medicines, keep out of the reach of children.
